

Census information for Fairfield Street  
 note that house orders are assumed but we think reasonably accurate given the consistency of order between censuses  
 Numbers 15,17, 19 and one of 21 ( and some of 19 and 23) are from deeds, all others assumed!

There is only ever one shop mentioned in any one year, so it may have been 1 FFS - currently still a shop and known in last 50 years to have been sweet shop etc  
 so here again here may be sequencing problems
